
Welcome to the Colonial Republic of the Philippines!

C O N T E N T S

[Excerpts from 'Mani
Colonialism'](#)

[The Sri Vishayan Empire](#)

[Migrant Workers](#)

[Letter to a Nationalist](#)

[Productivity and Luxury](#)

[Ethnic Cleansing in the
Philippines](#)

[Why Calabar? Why not Samar?](#)

[Brain Drain and Nationalism](#)

[Manila's Traffic Problems](#)

Please be warned that these articles do not conform to standards of nationalism as concocted by the Philippine Government. Some would call these federalist, provincialist, autonomist, regionalist or even 'anti-Filipino'.

We prefer to think of these as patriotic and decentralist. After reading us, whether or not you will agree with what we say, it will be manifest that what we are really after is more freedom and equality in the Philippines.
